

# Colton Woytas

I use a range of personal tools gained through education and work experience to take products from a sparked idea to a polished solution that is ready for development.

## DESIGN EXPERIENCE

2016 SUMMER

### **Intern @ Brault & Barnes Design**

I completed various ux/visual design deliverables as we worked through re-designing the website of a major utility company in Vermont.

2015 SUMMER

### **UX/UI Design Intern @ Nasdaq**

I worked on the small digital design team creating internal products and complete client design requests involved in rolling out a new website.

2014-2015

### **Designer @ RIT Hockey Operations**

As the in-house designer, I handled all needs ranging from parking passes to special uniforms worn by both teams and auctioned off for charity.

## WORK EXPERIENCE

2014-2015

### **Liason @ RIT Hockey Operations**

I arrived early on game days in order to greet and settle the visiting team and facilitate the handling of any needs while at the arena.

2014 SUMMER

### **Field Crew @ Rysco Corrosion**

I worked with various partners as we collected metal corrosion samples from pipeline in the oilfield and conducted laboratory testing.

## EDUCATION

2017 SPRING

### **Rochester Institute of Technology**

New Media Design, BFA

Minor in Business Administration

## SKILLS

UX Design

Research

Visual Design

HTML/CSS

Motion Design

Presentation

## INVOLVEMENT

2ND PLACE

### **RIT iOS App Challenge**

As a team of three we created an app that helped users make plans with their friends by checking keywords against social media posts.

VOLUNTEER

### **Thought At Work**

I was fortunate enough to host a panel discussion during the conference. Also, the official after-after party was at my house.

### **RIT Athletics Volunteer Award**

I was recognized at the year-end athletic awards banquet for time spent volunteering in different classrooms downtown Rochester.
